

EST. 1998 · MULTI-MATERIAL JEWELRY ATELIER

Beyond Material Boundaries. Your Jewelry Solutions Expert.

End-to-end design, 3D engineering, and private-label manufacturing across Pearl, Gold-Plated Brass, 925 Sterling Silver, and 316L Titanium Steel.

ESTABLISHED FOUNDATION

Not Simply a Factory. A Technical Jewelry Partner Since 1998.

Founded by an industry veteran who spent years leading thousand-staff Hong Kong jewelry operations as Technical Executive and CEO, our group bridges master craftsmanship with disciplined export manufacturing.

1998 **Artisanal & Technical Mastery**

Founder entered the fine and fashion jewelry industry, mastering cross-material engineering and large-scale Hong Kong atelier standards.

2005 **Dongguan Manufacturing Base**

Established our dedicated factory and export arm in Dongguan, delivering OEM/ODM collections for international jewelry brands with strict cost and quality control.

2018 **Xi'an Design Hub & KENJANE Trademark**

Founded Xi'an Dainuo Jewelry Co., Ltd. and registered KENJANE (Class 14), uniting Xi'an design talent with direct global B2B solutions.
